Subject: Claim Submission Options Update

Summary: While Change Healthcare continues to address their network interruption related to a cyber security incident, Select Health of South Carolina has established alternative claims submission options for our providers.

Electronic claims submission:

- Select Health has established a connection with Availity to receive electronic claims. If you or your clearinghouse do not currently use Availity to submit claims, you may register at: <https://www.availity.com/Essentials-Portal-Registration>.
- You will find registration options for Healthcare and Atypical Provider, so please choose the one that aligns with your business.
- For registration process assistance and other resources, access the [training site](#) link on the Availity registration page.

Direct entry (manual) claim submission:

- Select Health has also established a direct claims entry process through PCH Global. To submit claims directly, please go to <https://pchhealth.global> and click the **Sign-Up** link in the upper right hand corner to register.
- Complete the registration process and log into your account. You will be asked how you heard about PCH Global; select **Payer**, then **AmeriHealth**.
- Access your profile by clicking on **Manage User** and then **My Profile**. Upon completion of the profile information, go to the **Subscription Details** screen and select the **More** option on the right-hand side to enter the promo code **Exela-EDI**.
- When you are ready to submit claims, use the following information to search for our payer information:
NOTE: Select Health is listed as the Payer name below.
 - Payer name: **AmeriHealth-ACFC-South Carolina**
 - PO Box: **7120, London, KY, 40742**
- For a detailed walk through of the registration process, refer to the PCH Global Registration manual, found on the PCH Global website in the Resource Menu.
